

To College Coaches:

I have the privilege to coach Hannah Gonzalez for three years. In 2007, Hannah tried out for my team then, the Elk Grove Fire, and was offered a spot on the team based on her quickness and the soccer talent she showed during tryouts.

That year (2007/2008) Hannah's team won the Association Cup CYSA North state championship for U14. Also, I coached Hannah at the U16 and U17 levels with the InterRage Soccer Academy in Sacramento where she played Class 1 competition.

Hannah was a very distinguished player. Her commitment to the game and her team was paramount. Her physical and mental toughness is top. She was always motivated, determined and focused in practice and on game day. I never had a player play so hard in games like Hannah.

Hannah's game is like a rose, always blossoming and have not reached its peak yet.

I strongly recommend Hannah to play college level soccer.

Sincerely,
